2. Duration of the policy

The insurance policy is established at the time of writing and is accepted by payment of the full (1st) premium prior to the departure date of the trip. The insurance applies to unexpected events during the insured period indicated in the policy.

Insurances with a term of one year are tacitly renewed for consecutive periods of one year, except when one of the parties cancels the contract at least 2 months (*3 months if cancellation by us*) before the expiry date of the insurance by registered letter delivered to the post office, by bailiff's writ or by delivery of the letter of cancellation against receipt.

Both we and the insured party have the right to terminate the contract after the occurrence of a claim. The termination must take place at the latest 1 month after payment or refusal of payment of the damages. The termination shall then take effect after the expiry of a period of 2 months (*3 months in case of cancellation by us*) counting from:

- ✓ the day following service;
- ✓ the day following the date of the receipt;
- ✓ in the case of registered post, starting from the day following its delivery.

If the insurance policy contract is established through a distance selling process (*online or by telephone*), you have the right to revoke the contract within 14 calendar days from the date of taking out said insurance contract. The policy must have a validity of more than 30 days and no intervention may yet have been provided with regard to this policy.

It can be revoked without giving any reason and is free of charge. We shall refund the premium paid in full. Where applicable, you will owe VAB nv that part of the premium that corresponds to the period of cover that has already lapsed. The termination shall take effect on the date of sending of the e-mail or on the date of posting.

Limitation period

The statutory limitation period is three years, after which you can no longer rely on this insurance. This period starts from the day of the claim. If you only become aware of the claim at a later date, this period only starts from the date on which you discovered the claim. Any right to a possible intervention expires after five years.

3. Where is the insurance valid?

'Bike insurance': Worldwide, including Belgium.

'Bike assistance': Valid in Belgium, the Netherlands and the Grand Duchy of Luxembourg.

4. What happens in the event of complaints?

In the event of a complaint, you can contact the VAB complaints service (klachtenbehandeling@vab.be or 03 253 61 40). If you do not reach an agreement, you can contact KBC Complaints Management, Brusselsesteenweg 100, 3000 Leuven, klachten@kbc.be, tel 0800 620 84 (*free of charge*). If you cannot find a suitable

solution, you can turn to the Insurance Ombudsman, de Meeûsplantsoen 35, 1000 Brussels, info@ombudsman.as. However, you always retain the right to initiate legal proceedings before a Belgian court.

5. What is not insured?

We cannot be held liable for:

- ✓ Late, incomplete or non-execution of the assistance, or for shortfalls in the execution of the assistance, in the event of circumstances independent of our will or in the event of force majeure, such as terrorism, war, popular uprising, insurrection, strike, retaliation measures, restriction of freedom of movement, radioactivity, (binding) provisions of Belgian or foreign authorities (e.g. negative travel advice or travel ban, lockdown, quarantine measures), natural disaster, and so on.

6. What are your obligations?

The financial services we provide are always limited to unforeseen and additional expenses, i.e. the costs you would not have incurred if the event for which assistance was requested had not occurred.

Paid compensation and/or services rendered, for which VAB nv did not have to intervene, must be reimbursed within 30 days. These services will only be provided at the request of the insured person or his/her beneficiary.

In the event of non-payment of the fees owed to VAB nv, the latter will charge a supplement of 10% per month started. In the event of non-payment including the surcharges within the imposed periods, VAB nv will take legal steps to recover these.

The insured person undertakes to:

- ✓ Co-operate with the administrative formalities and obligations necessary to be able to carry out the assistance requested;
- ✓ Give VAB nv correct information about the insured claim as well as provide correct personal data, information about his/her family situation and contact details;
- ✓ Provide proof of the costs incurred on the basis of original invoices and/or certificates;
- ✓ Hand over the unused transport tickets to VAB nv when we have paid for the repatriation or return;
- ✓ Provide the requested proof. If the insured person fails to do so, this will result in the refusal of intervention.

II. BIKE INSURANCE

A. The guarantees

This insurance covers your bike against all risks. This means that we essentially reimburse any damage to or theft of your bicycle, unless the damage is due to an event that does not qualify for insurance.

A list of these events can be found under the heading *'What is not insured?'*.

B. What is not insured?

Damage:

- ✓ as a result of one's own oversight related to the bicycle;
- ✓ consisting of wear and tear, discoloration and other gradually occurring damage resulting from exposure to slow-acting influences;
- ✓ that does not affect the use or function of the insured bicycle;
- ✓ as a result of cleaning, modification, repair or restoration;
- ✓ covered by a guarantee or maintenance contract;
- ✓ related to (civil) war or similar facts;

- ✓ as a result of nuclear or atomic accidents or radiation;
- ✓ caused during the participation in competitions;
- ✓ caused in a state of intoxication or similar resulting from the use of substances other than alcoholic beverages.

Loss, destruction or damage caused by:

- ✓ Government measures or judicial decisions, unless their purpose was to prevent or limit the insured damage to yourself or the surrounding area or to rescue persons in distress;
- ✓ Indirect damage, such as loss of profit, loss of use, loss of return and loss in value after repair or due to a set or a collection no longer being complete;
- ✓ Damage caused by yourself or with your knowledge and due to intent, apparent poor maintenance or improper use of the insured bicycle.

C. Prevention measures

We assume that you will take the necessary measures to prevent and limit damage.

We ask you to observe the following actions:

- ✓ Replace all locks from which the keys were stolen;
- ✓ Avoid occasional theft and do not leave insured bicycles unattended;
- ✓ Comply with the prescribed preventive measures at the new address when moving;
- ✓ Always lock the bicycle with a lock that is approved by the ART association (category 2 or higher, more info on stichtingart.nl) or a 'Sold Secure' bicycle lock, type Gold/Silver (more info on soldsecure.com).

This preventive measure does not apply in a closed building or in a guarded location.

Failure to comply with these preventive measures entitles VAB nv to refuse the resulting claims.

D. How is this reimbursement calculated?

The insured value of the bicycle: the invoice price including VAT and options (*) and excluding accessories (**) as stated on the invoice that is mentioned by number in the special terms and conditions.

After a total loss and/or theft, we will reimburse the outstanding carrying amount of the bicycle, less the accessories. If there is a scrap value, it will be deducted from the calculation.

From the 13th month after the purchase of the bicycle, a depreciation of 1% for every commenced calendar month will be taken into account.

In the event of damage, we will reimburse the repair costs in full, without deduction for wear and tear, if this is lower than the insured value of the bicycle on the date the damage occurs.

The reimbursement will be paid directly to the owner of the insured bicycle.

The applied exemption is € 50 per claim.

The exemption and the insured sum will not be indexed.

() Options:* All fixed components that are attached to the bicycle at the time of purchase and without which the bicycle is not roadworthy, such as a brake system, saddle, shifting system, etc. Fixed accessories, which cannot be removed without the help of tools, are also considered as an option.

*(**) Accessories:* All elements that can be attached to a bicycle, but which can also be used separately from the bicycle.

Bicycles found

If stolen or lost bicycles are found, you have to inform us immediately.

However, if we have already paid the compensation in the meantime, you have the choice to do the following within 45 days:

- ✓ Hand over the bicycle to us and keep the reimbursement;
- ✓ Keep the recovered bicycle and return the received compensation to us. In that case, we will reimburse the damage to the bicycle.

E. How to apply for reimbursement?

In the event of damage, you must apply for a reimbursement from VAB nv. In addition to the declaration form on vab.be/nl/pech-en-reisbijstand/terugbetaling-kosten/aangiftefietsverzekering, you will also need to enclose a number of supporting documents:

- ✓ The purchase invoice;
- ✓ A police report drawn up by the local authority in the event of loss, a traffic accident with injuries or theft.

If this happened abroad, you must do the following upon your return to Belgium:

- ✓ Report the incident to the police in Belgium.

If you do not report the incident, we will not intervene, unless you can prove that you were unable to report it.

If you report it late, we will not charge you if you made the requested report as soon as reasonably possible.

III. BIKE ASSISTANCE (option)

Only valid if you have taken out this guarantee and if this is indicated in the policy.

A. Which bikes are covered?

The bicycle, that was included in the insurance with frame number, is covered by this contract.

B. When is assistance provided?

The guarantee applies to the unexpectedly technically or legally immobilised insured cyclist located in Belgium, the Netherlands and the Grand Duchy of Luxembourg and counting from the place of residence of the entitled party.

Immobilisation is defined as the inoperability of the covered vehicle that occurs suddenly and unexpectedly without malicious intent and where the intervention of the VAB Roadside Assistance force is demanded immediately.

The immobilisation is the result of an accident, technical defect, flat tyre, battery problem, vandalism, theft or attempted theft. Bicycle assistance is only provided if the bicycle is located on a road that is accessible to a VAB nv assistance vehicle.

C. What does the service consist of?

- ✓ Sending a VAB road guard on site;
- ✓ If the bicycle cannot be repaired on site by the VAB road guard so that it is in a good enough condition to be ridden again, the person concerned is entitled to one transport of the bicycle covered. The bicycle will be taken to the location that is most suitable for the repair. Additional transport may exceptionally be permitted, subject to payment of the usual rates charged by VAB nv (info: 03 253 61 30). The driver can ride along during this trip, in consultation with the VAB road guard. We are not responsible for the luggage during transport;
- ✓ In the event of the theft of the bicycle, we will organise and bear the costs of transporting the right holder to his or her place of departure or arrival in Belgium up to a maximum of € 80. This guarantee is only granted if the right holder can prove that all precautions have been taken to minimise the risk of theft of the bicycle and if the theft has been reported to the police;
- ✓ If, at the time of the intervention, the right holder is the only person accompanying one or more minor children, we will also organise the transport

of the children (max. 4 children). In this case, the non-mobilised and uninsured bicycles are excluded from transport;

- ✓ Before carrying out the above services, the VAB road guard may ask for your identity card.

D. What is not covered by the guarantees?

- ✓ Services of any kind, which at the time of the event were not requested from the VAB Emergency Call Centre or which were not carried out by us or with our agreement, are not eligible for a refund. Failure to follow the established procedure and/or failure to provide the necessary proof will also lead to the refusal of a refund;
- ✓ Intentional and/or unlawful acts on your part, as well as the confiscation of the bicycle by the local authority as a result thereof;
- ✓ Participation in extreme outdoor activities. By this we mean outdoor activities in which the extreme conditions or the level of difficulty represent a potential danger to life, such as downhill racing/biking. For any activities not listed, we do provide coverage provided that the necessary safety regulations have been observed (such as wearing a helmet).
- ✓ The practice of all sports/activities as a profession or for remuneration is excluded, including competitions and training sessions;
- ✓ Excessive use of alcohol or the use of medicines or narcotics that have not been prescribed by a physician, unless there is no causal connection with the harmful event;
- ✓ Regularly recurring defect in the bicycle, as a result of inadequate maintenance;
- ✓ Defects and breakdowns, the price of the spare parts, the maintenance costs of the bicycle and the repair costs, if the bicycle is already at a repair shop (incl. the costs for the specifications and disassembly of the bicycle by the repair shop);
- ✓ Damages caused intentionally by the right holder or as a result of an accident occurring as a result of bets or challenges;
- ✓ Damages resulting from an accident resulting from a dispute, aggression or attack of which the right holder was a provocateur or instigator;
- ✓ Assistance with bicycle locks, unless indisputable proof is provided that the right holder is the owner of the bicycle;
- ✓ Organised rides, where the organisation provides technical assistance. Only if this assistance is unable to solve the problem can VAB nv be called upon;
- ✓ Defects resulting from the use of non-original spare parts.
