3. Duration of the contract

The 12-month term of the VAB contract is stated in the proof of subscription. The period of validity cannot be temporarily suspended. The contribution is indivisible, no partial refunds will be made, for any reason.

The guarantees are only valid for a breakdown or accident that occurs after the 4th calendar day following receipt of payment.

Wheelchairs that are not covered during their immobility or within 4 calendar days after payment of the contract can appeal to us under the following conditions: payment of the 1st Breakdown assistance (*including, if necessary, a tow of up to 50 km*) based on the intervention rates, see website. If your wheelchair has to be towed further, this can be done for a fee. The rates can be requested via the VAB Customer Service department on 03/253.61.30. In addition, you are also automatically entitled to further services.

4. Payment

The Wheelchair assistance is established at the time of writing and is accepted by payment of the full (1st) premium prior before the start of the contract or the renewal.

This contract has a term of one year and is tacitly renewed for consecutive periods of one year, except in the event of cancellation by the underwriter or VAB at any time with due observance of a notice period of 2 months (*3 months if cancellation by us*). The contract can be cancelled by registered letter delivered to the post office, by bailiff's writ or by delivery of the letter of cancellation against receipt. The renewal of the subscription will be effected by receipt of payment. VAB nv reserves the right at all times to refuse a subscription or renewal for any reason whatsoever.

In the event of payment by bank transfer, the guarantees will be valid from the 4th calendar day after receipt of the contribution in VAB nv's account.

In the event of payment of the membership contribution by direct debit, and if the member applies for and obtains a refund of the membership contribution in accordance with the Law of 10 December 2009 on payment services within 8 weeks of debiting his account, the membership contribution will be invoiced to the member. If, in the meantime, however, breakdown assistance has already been provided, the membership contribution will be invoiced to the member as stipulated above if the member subscribes at the time of the actual breakdown or accident.

Any additional invoices must be paid to the registered office of the company no later than 15 days after the breakdown assistance has been provided.

What happens in the event of non-payment?

- ✓ In the case of late payment, interest of 1% per commenced month, to be increased with the reminder fees fixed at 10%, with a minimum of € 100, will be due by right and without formal notice.
- ✓ In the event of non-payment on the due date, all amounts still due become immediately due and payable, without prejudice to the payment terms that were already granted;
- ✓ In the event of non-payment, VAB nv also has the right to suspend all services until full payment of the invoice and the aforementioned costs has been received;
- ✓ In the event of non-payment within 15 days after the breakdown assistance has been provided, VAB nv will be entitled to declare the application for subscription cancelled and to charge the actual cost of the intervention.

The amounts already paid will be regarded as definitively acquired.

Disputes

The invoice must be disputed within 8 days of the invoice date, VAB nv will not accept any further disputes after this date. The beneficiary is also aware that if he/she does

not pay outstanding invoices on the due date – or does so late – he/she will be obliged, without any formality or notice of default, to pay all outstanding invoices in his/her name immediately.

The parties explicitly agree and acknowledge that the place of execution of the agreement is the registered office of the supplier and that all disputes relating to the invoice are subject to Belgian law and are in accordance with article 624.2° of the Belgian Judicial Code, which shall be submitted to the courts of the district of Antwerp.

6. Your obligations

You commit to:

- ✓ Provide the details of a contact person when drawing up the agreement (ICE);
- ✓ Give VAB nv correct information about the covered claim;
- ✓ Provide proof of the costs incurred on the basis of original invoices and/or certificates.

7. What happens in the event of complaints?

In the event of a complaint, you can contact the VAB complaints service (klachtenbehandeling@vab.be or 03 253 61 40).

III. THE WHEELCHAIR ASSISTANCE

1. When is assistance provided?

The guarantee applies to the unexpectedly technically or legally immobilised insured wheelchair located in Belgium and counting from the place of residence of the entitled party. Wheelchair assistance is only provided if the bicycle is located on a road that is accessible to a VAB nv assistance vehicle.

Immobility is defined as the inoperability of the covered vehicle that occurs suddenly and unexpectedly without malicious intent and where the intervention of the VAB Roadside Assistance force is demanded immediately. The immobilisation is the result of an accident, technical defect, flat tyre, battery problem, vandalism, theft or attempted theft.

2. The assistance consists of:

- ✓ Sending a VAB Roadside Assistance worker on site. They will attempt to make the wheelchair roadworthy again, possibly on a temporary basis. For most interventions, an on-the-spot repair is possible;
- ✓ If the wheelchair cannot be repaired on the spot by the VAB Roadside Assistance worker, towing is possible. In the event of towing, our VAB Roadside Assistance workers are neither qualified nor insured to lift people with a physical disability or reduced mobility into a breakdown truck. In these cases, we will work with the customer to find another solution:
 - ✓ We will either contact the emergency number that was included in the agreement in advance (ICE) to help bring you home;

✓ Or we will contact our partner, who specialises in the transport of persons with a disability. There are no additional costs involved.

- ✓ If, at the time of the intervention, the right holder is the only person accompanying one or more minor children, we will also organise the transport of the children (*max. 4 children*);
- ✓ In the event of the theft of the wheelchair, we will organise and bear the costs of transporting the right holder to his or her place of departure or arrival in Belgium up to a maximum of € 80. This guarantee applies once in a contract/year and is only granted if the right holder can prove that all precautions have been taken to minimise the risk of theft of the bicycle and if the theft has been reported to the police;
- ✓ Our VAB road guard can ask your identity card, before giving assistance.

3. What is not covered by the guarantees?

We are not obliged to intervene in the case of:

- ✓ Services of any kind, which at the time of the event were not requested from the VAB Emergency Call Centre or which were not carried out by us or with our agreement, are not eligible for a refund. Failure to follow the established procedure and/or failure to provide the necessary proof will also lead to the refusal of a refund;
- ✓ The practice of all sports/activities as a profession or for remuneration is excluded, including competitions and training sessions;
- ✓ Excessive use of alcohol or the use of medicines or narcotics that have not been prescribed by a physician, unless there is no causal connection with the harmful event;
- ✓ Regularly recurring defect in the wheelchair, as a result of inadequate maintenance;
- ✓ Defects and breakdowns, the price of the spare parts, the maintenance costs of the bicycle and the repair costs, if the bicycle is already at a repair shop (*incl. the costs for the specifications and disassembly of the bicycle by the repair shop*);
- ✓ Damages caused intentionally by the right holder or as a result of an accident occurring as a result of bets or challenges;
- ✓ Damages resulting from an accident resulting from a dispute, aggression or attack of which the right holder was a provocateur or instigator;
- ✓ Organised rides, where the organisation provides technical assistance. Only if this assistance is unable to solve the problem can VAB nv be called upon;
- ✓ Defects resulting from the use of non-original spare parts;
- ✓ In the event of towing, our VAB Roadside Assistance workers are neither qualified nor insured to lift people with a physical disability or reduced mobility into a breakdown truck;
- ✓ Request for reimbursement for events prior to the start date of the contract;
- ✓ Costs that are not explicitly mentioned as insured.

We cannot be held liable for:

- ✓ Late, incomplete or non-execution of the assistance, or for shortfalls in the execution of the assistance, in the event of circumstances independent of our will or in the event of force majeure, such as terrorism, war, popular uprising, insurrection, strike, retaliation measures, restriction of freedom of movement, radioactivity, (*binding*) provisions of Belgian or foreign authorities (*e.g. negative travel advice or travel ban, lockdown, quarantine measures*), natural disaster, and so on.
